Attention: Mr. R. L. Rankin

Administrative Order PC-77

Gentlemen:

Reference is made to your application dated April 11, 1962, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Denton-Wolfcamp Pool and Denton-Devonian Pool on your Argo Lease located in Section 3, Township 15 South, Range 37 East, NEPM, Lea County, New Mexico, and allocating the production on the basis of monthly well tests.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease, in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further however, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,
