Santa Fe, New Mexico

Re: Revision of Commission Order No. PC-98,
Commingling of Production,
TEXACO Inc. M. B. Weir "B" Lease,
Lea County, New Mexico

ATTENTION: Mr. A. L. Porter, Jr.

Gentlemen:

In accordance with Section II - "Commingling Between Pools or Zones", Item 1 - "Marginal Zones" of the current New Mexico Oil Conservation Commission's "Manual for the Installation and Operation of Commingling Facilities", TEXACO Inc. respectfully requests authority to commingle the production from the Skaggs, Skaggs Glorieta and Skaggs Drinkard pools on that portion of the M. B. Weir "B" lease consisting of the S/2 of the SW/4 of Section 12, Township 20 South, Range 37 East, Lea County, New Mexico without separately measuring the production from each pool prior to commingling.

Commission Order No. PC-98 granted authority to commingle the production from the aforesaid pools after separately measuring the production. Since the initiation of this commingling procedure, production from all zones has declined so that no well is currently capable of producing top allowable as indicated on the attached 60-day production tabulation.

In view of the aforementioned, it is respectfully requested that Commission Order No. PC-98 be amended to permit commingling the aforesaid production without separately measuring the production from each zone.

Yours very truly,

J. G. Blevins, Jr.
Assistant District Superintendent

BLM/om
