Administrative Order PC-104

Gentlemen:

Reference is made to your application dated August 27, 1962, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Monument and Monument-Blinebry Pools on your State of New Mexico "E" (NCT-1) Lease comprising the SW/4 of Section 1, Township 20 South, Range 36 East, Lea County, New Mexico, after separately metering the production from the Monument Pool and determining the Monument-Blinebry production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director

Attention: Mr. H. H. Webb

Administrative Order 10-104

Dear Sir:

Reference is made to your application dated August 11, 1932, for administrative approval of an exception to Rule 104 (b) of the Commission Rules and Regulations to permit the commingling of the production from the Monument and Monument-adjacent pools on your lease of New Mexico "B" (NCP-1) Lease, comprising the SW 1/4 of Section 1, Township 30 North, Range 10 East, 1st County, New Mexico, with separately existing production from the Monument pool and adjoining the Monument-adjacent pool and the exception granted.

By the authority vested in me under the provisions of Rule 104 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the adjacent pool with said lease in the above-described manner, provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-transferring in the network.

Very truly yours,

H. L. BAKER, Jr.,
Secretary-Treasurer
