Administrative Order PC-107

Gentlemen:

Reference is made to your letter of November 6, 1962, wherein you request that the Blinebry Oil Pool be included in the Taylor Glenn Lease commingling authority issued by the Commission in Order No. R-2099.

Your proposal to meter the top allowable Blinebry production separately and to meter the commingled marginal Drinkard, Terry Blinebry, and Hare production separately prior to over-all commingling is satisfactory with the Commission.

Order No. R-2099 is, therefore, hereby supplemented to permit the commingling of Blinebry Oil Pool production as proposed by your letter and attached schematic diagram.

Very truly yours,

**A. L. PORTER, Jr.,
Secretary-Director**
