P. O. Box 871
Santa Fe, New Mexico

Dear Sir:

Reference is made to your letter dated June 1, 1964, amending Administrative Order PC-111 to permit the commingling of Weir Blinebry production with production from other pools on our O. J. Gillully "B" Lease.

This is to inform that production from subject pool will not be commingled. Please adjust your records accordingly.

Yours very truly,

V. E. Staley
Area Superintendent
