Farmington, New Mexico

Attention: Mr. Frank O. Gray

Administrative Order PC-124

Gentlemen:

Reference is made to your application dated February 8, 1963, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the distillate production from the South Blanco-Pictured Cliffs Pool and the Blanco-Mesa Verde Pool from your Breech "F" Well No. FMD-8, located in Unit A of Section 34, Township 27 North, Range 6 West, Rio Arriba County, New Mexico, allocating the production to each pool on the basis of periodic well tests.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the distillate production from the afore-said pools from said well in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

1941

San Juan, N.M.,

February 1, 1941

Mr. J. H. ...

Dear Sir:

Very truly,

Enclosed for you are two copies of a report on the oil resources of the San Juan Basin, New Mexico, prepared by the Oil Conservation Commission. The report is a summary of the work done by the Commission during the past year, and is intended to give you a general idea of the oil resources of the basin. It is hoped that it will be of some value to you.

Very truly,  
J. H. ...  
Oil Conservation Commission

Very truly,

J. H. ...  
Oil Conservation Commission

Very truly,

Enclosed for you are two copies of a report on the oil resources of the San Juan Basin, New Mexico, prepared by the Oil Conservation Commission. The report is a summary of the work done by the Commission during the past year, and is intended to give you a general idea of the oil resources of the basin.
