Administrative Order PC-144

Gentlemen:

Reference is made to your letter of May 28, 1963, wherein you request administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Oil Center Blinbry and the Eunice Pools and your J. A. Akens Lease, located in Section 3, Township 21 South, Range 36 East, Lea County, New Mexico, after separately metering the Blinbry production and determining the Eunice production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters.

Very truly yours,
