Gentlemen: Re: Administrative Order PC-145

The captioned order originally authorized the commingling of Skaggs-Glorieta, Skaggs-Drinkard, East Weir-Blinebry, Eumont oil, and distillate from the Eumont Gas Pool on the Skaggs "B" Lease. Our subsequent application for an amendment to PC-145 adding the commingling of Monument-Tubb production was approved by your office on June 18, 1965.

Effective July 1, 1965, Skaggs "B" Wells Nos. 2, 3 and 4 were committed to the East Eumont Unit. Therefore, prior to installing the commingling equipment as shown in the application for amendment of PC-145, it is proposed to install the facilities as revised and shown on the attached diagram.

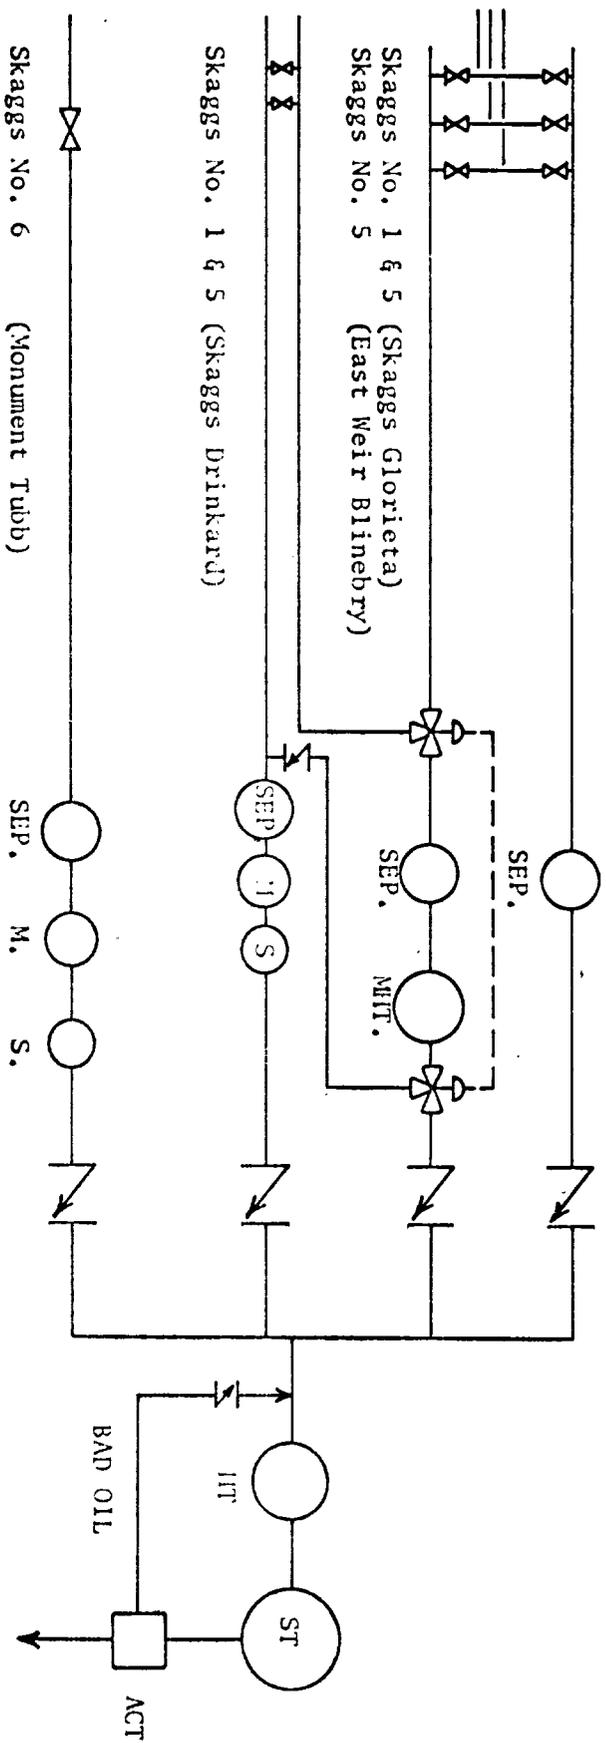

Your cooperation in this matter will be sincerely appreciated.

Yours very truly,

GCJ-DFW
