Mr. A. L. Porter,  
Secretary-Director  
New Mexico Oil Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Dear Mr. Porter:

Enclosed herewith you will please find triplicate copies of application of H. R. Denius et al for an exception to Rule 303(a) to permit commingling of production from the marginal Queen and Grayburg zones under Federal Lease LC 060967 in a common marketing facility without separately measuring the production from each pool. I have furnished the USGS with a copy of this application and have requested that they furnish you with their consent to this application.

When you have received the consent of the USGS, I will appreciate your favorable consideration of the enclosed application.

Very truly yours,

  
A. J. Losee

Artesia, New Mexico

Gentlemen:

Mr. Losee's letter of September 12, 1963, requests approval to commingle oil from the Queen and Grayburg Pools located in the NW 1/4 sec. 34, T. 17 N., R. 33 E., N.M.P.M., Lea County, New Mexico, on Federal lease Las Cruces 060967.

The method of commingling as described in the application is hereby approved. You are requested to notify our Hobbs office when the installation is completed so that a field inspection of the system can be made.

Very truly yours,
