RE: Commingling of production from Paddock pool
with previously approved installation from
San Andres on State V, State T and State A,
B, F, & H Leases on Township 17S, Range 35E,
Lea County.

Gentlemen:

This is to acknowledge and approve the above re-
quest. Since ownership is common and since the
State stands to gain in royalty by commingling,
we, therefore, approve your request. We would
like to have a copy of your monthly well tests.

Thank you for your plats and schematic diagrams.

Very truly yours,

E. S. JOHNNY WALKER
COMMISSIONER OF PUBLIC LANDS
