Administrative Order PC-177

O
Gentlemen:

P
Reference is made to your application dated November 15, 1963, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Blinbry, Glorieta, Abo, Wolfcamp, and Pennsylvanian production on your State of New Mexico "Q" Lease comprising the W/2 SE/4 and SE/4 SE/4 of Section 25, Township 17 South, Range 34 East, Vacuum Field, Lea County, New Mexico, after separately metering the production from all zones.

Y
By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters, and provided further, that you shall notify the Hobbs District Office of the Commission at such time as this installation is complete in order that a field inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director
