Re: Request for Exception
to Rule 303-A, Socony
Mobil Oil Company's
E. O. Carson Lease,
Lea County, New Mexico

Dear Sir:

Socony Mobil Oil Company, Inc. respectfully requests the Commission administratively approve an exception to Rule 303-A to permit the commingling of the oil produced from their E. O. Carson #5 (Penrose-Skelly), E. O. Carson #11 (Paddock), and E. O. Carson #23 (Eunice San Andres). Production will be allocated to the zones involved by periodic well tests. All production from these wells is marginal and none are capable of making top allowable.

Attached is a location plat, schematic diagram of the proposed installation, and a production tabulation of the wells involved from the past three months.

If any additional information is needed concerning the proposal, please notify us.

Yours very truly,
