Attention: Mr. J. E. R. Wheeler

AMENDMENT

Administrative Orders PC-47, PC-186, PC-166, and PC-167

Gentlemen:

Reference is made to your letter dated January 17, 1968, wherein you request an amendment to the above-captioned orders to permit the commingling of the production authorized by said orders without separately measuring the production from any pool inasmuch as all production on the respective leases is of marginal nature.

Administrative Order PC-47 which authorizes the commingling of Brinkard, Blinbry, and Tubb production on your Carl M. Livingston Lease is hereby amended to permit the allocation of production on the basis of periodic well tests.

Administrative Order PC-186 is hereby amended to permit the commingling of Blinbry, Brinkard, Ware, and Brunson production on your Turner Lease, allocating the production on the basis of periodic well tests.

Administrative Order PC-166 which authorizes the commingling of Brinkard and Blinbry production on your State Section 15 Lease is hereby amended to permit the commingling of production on the basis of periodic well tests.

AMENDMENT

Administrative Orders PC-17, PC-141, PC-145, and PC-167

Administrative Order PC-167 which authorizes the commingling of Brinkard and Terry Blinbry production on your Smith Lease is hereby amended to permit the allocation of production on the basis of periodic well tests.

Please notify the Commission at such time as any well on any of these leases in any of these pools is capable of top allowable production.

Very truly yours,

**A. L. FORTER, Jr.
