

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

January 17, 1964

Phillips Petroleum Company
P. O. Box 2130
Hobbs, New Mexico

Attention: Mr. W. C. Rodgers

Administrative Order PC-181

Gentlemen:

Reference is made to your application dated January 9, 1964, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Vacuum-Abo, Vacuum-Pennsylvanian, and Vacuum-Wolfcamp production from your Santa Fe Well No. 87 located in the NW/4 SW/4 of Section 31, Township 17 South, Range 35 East, Lea County, New Mexico, after separately metering the Abo and Pennsylvanian production and determining the Wolfcamp production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid well on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters, and provided further, that you shall notify the Hobbs District Office of the Commission at such time as this installation is complete in order that a field inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
