Amendment
Administrative Order PC-188

Gentlemen:

Reference is made to your letter of May 15, 1964, wherein you request an amendment to Administrative Order PC-188 to provide for commingling of Vacuum Glorieta and Vacuum San Andres production on your Swigart Lease. Administrative Order PC-188 authorized the commingling of Vacuum Blinbry and Vacuum San Andres production on said lease, but it is our understanding that the only Blinbry well has been recompleted in the Glorieta zone.

Administrative Order PC-188 is hereby amended to authorize the commingling of Glorieta and San Andres production on the subject lease. Administrative Order PC-188 shall in all other ways remain in full force and affect.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
