Administrative Order FC-197

## Gentlamen:

Reference is made to your letter of April 22, 1964, wherein you request that Administrative Order #C-197 be amended to include the abo formation in the commingling authority contained therein.

Administrative Order FC-197 dated February 27, 1964 authorised the commingling of Vacuum-Folfeamp and Vacuum-Glorieta production on your H. E. Hale Lease. It is our understanding that you now expect to obtain also production on the lease, and that the commingling of the three somes would be accomplished after separately metering the abo and Glorieta production and determining the Holf-camp production by means of the subtraction method.

administrative Order FC-197 is hereby emended to include the Abo some.

Very truly yours,

\*. L. lorter, Jr. lecretery-lirector
