Attention: Mr. Thomas F. Welch

Gentlemen:

Reference is made to your application dated December 6, 1963, wherein you request authority to commingle Seven Rivers production with Premier production in the Red Lake Field.

The last paragraph of section (b) of Rule 303 of the Commission Rules and Regulations requires that to obtain approval to commingle production on State lands, the applicant must furnish evidence that the Commissioner of Public Lands has consented to the proposed commingling. Upon receipt of such evidence, we will be happy to process your application.

Very truly yours,

DANIEL S. NUTTER
Chief Engineer

OIL CONSERVATION COMMISSION

P.O. BOX 871

SANTA FE, NEW MEXICO

The Commission has received your letter of the 10th instant regarding the proposed drilling of an oil well on the land owned by you and situated in the County of Santa Fe, State of New Mexico. The land is described as follows:

Section 10, Township 18N, Range 18E, Mountain Time Meridian, Santa Fe County, New Mexico.

The Commission has reviewed the proposed drilling and finds that the same is in accordance with the provisions of the Oil Conservation Act, Chapter 10, Section 10-1-1, et seq., of the Statutes of the State of New Mexico.

It is the order of the Commission that you may proceed with the drilling of the well as proposed, provided that you comply with the provisions of the Oil Conservation Act, Chapter 10, Section 10-1-1, et seq., of the Statutes of the State of New Mexico.

Very truly yours,
 Oil Conservation Commission
