Amendment  
Administrative Order PC-199

O  
Gentlemen:

P  
Reference is made to your letter dated April 10, 1964, wherein you state that you are revising the installation authorized by Administrative Order PC-199 to substitute heater-treaters for the separators and that you will meter the production from all three of the pools authorized to be commingled by said order. Administrative Order PC-199 authorized the commingling of Baish-Yates, Baish-Wolfcamp, and Maljamar-Abo production on your Baish "A" Lease after separately metering the Abo and Wolfcamp production and determining the Yates production by means of the subtraction method.

Y  
Administrative Order PC-199 is hereby amended to permit the commingling of the aforesaid production in the above-described manner.

Very truly yours,

A. L. Porter, Jr.  
Secretary-Director
