Amendment
Administrative Order PC-203

Gentlemen:

Reference is made to your letter dated November 11, 1964, wherein you advise that all production currently being handled by the commingling installation authorized by Administrative Order PC-203 is of marginal nature.

You therefore request an amendment to Administrative Order PC-203 to delete the requirement for separately metering the Blinbry oil production prior to commingling with that of the Drinkard Oil Pool and Blinbry and Tubb Gas Pools on your Brunson Oil Lease.

Administrative Order PC-203 is hereby amended to delete the aforesaid metering requirement; the order in all other respects shall remain in full force and effect

Very truly yours,

H. L. Porter, Jr.
Secretary-Director
