Amendment  
Administrative Order EC-207

Gentlemen:

Reference is made to your letter dated June 8, 1964, wherein you request an amendment to Administrative Order EC-207 to permit the commingling of Drinkard and Terry Blinebry production on your Stephens Estate Lease after metering the Drinkard production and determining the Terry Blinebry production by means of the subtraction method.

Administrative Order EC-207 authorizes the commingling of the aforesaid pools after separately metering the production from both pools.

Administrative Order EC-207 is hereby amended to permit the subject commingling by means of the subtraction method. Said order in all other respects shall remain in full force and effect.

Very truly yours,

A. L. Porter, Jr.
