Fanrose Production Company
411 Gulf Building
Midland, Texas

Attention: Mr. Harold S. Winston

Administrative Order FC-209

Gentlemen:

Reference is made to your application dated May 2, 1964, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Drinkard and Blinebry production on your L. G. Warlick Lease comprising the N/2 NE/4 of Section 19, Township 21 South, Range 37 East, Lea County, New Mexico, after separately metering the Drinkard production and determining the Blinebry production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for a non-reset counter on the meter, and provided further, that you shall notify the Hobbs District Office of the Commission at such time as the installation is complete in order that a field inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. Porter, Jr.
Secretary-Director
