Gentleman:

Reference is made to your application dated May 19, 1964, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Wolfcamp and Devonian production on your Shelton Lease comprising the NW/4 of Section 26, Township 14 South, Range 37 East, Denton Field, Lea County, New Mexico, allocating the production on the basis of periodic well tests. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

Very truly yours,
