Gentlemen:

Reference is made to your application dated June 2, 1964, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of oil from the Blinebry, Brunson, Drinkard, and Hare-Simpson Pools on your L. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in any of the aforesaid pools is capable of top allowable production.
