Attention: Mr. Fred Burns

Gentlemen:

Administrative Order 10-225

Reference is made to your application dated July 17, 1964, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Grayburg-Lan Andres and Glorieta production on your State S - 1576 lease comprising the NW/4 of Section 32, Township 17 North, Range 35 East, Vacuum Field, Lea County, New Mexico, after separately metering the Grayburg-Lan Andres production and determining the Glorieta production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 305 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission Manual for the Installation and Operation of Commingling Facilities, including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

J. J. Porter, Jr.
Secretary-Director
