Re: Administrative Order PC-249

Gentlemen:

Reference is made to your letter dated August 16, 1968, wherein you advise that each of the pools commingled under authority of Administrative Order PC-249 has a different participating area so that it is necessary to have separate measurement from each pool. You therefore request that your letter of July 15, 1968, requesting amendment of Administrative Order PC-249 to delete the metering requirement be withdrawn.

Our letter of August 7, 1968, amending Administrative Order PC-249 as originally requested is hereby cancelled and the installation is to be operated in accordance with the original order, Administrative Order PC-249, dated December 7, 1964.

Very truly yours,

A. L. PORTER, Jr.
