Gentlemen:

Reference is made to your application dated February 19, 1965, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Pennsylvanian and Devonian production on your H. C. Posey "A" Lease comprising the S/2 NE/4 and SE/4 of Section 11, and the N/2 NE/4 of Section 14, all in Township 12 South, Range 32 East, East Caprock Field, Lea County, New Mexico, after separately metering the Pennsylvanian production and determining the Devonian production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission Manual for the Installation and Operation of Commingling Facilities, including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.
