Attention: Mr. V. E. Staley

Administrative Order PC-272

Gentlemen:

Reference is made to your application dated July 2, 1965, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Fowler Lower Paddock Gas (Oil Rim) and Fowler Blinbry production on your South Mattix Unit in Sections 15 and 22, Township 24 South, Range 37 East, Lea County, New Mexico, after separately metering the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said unit in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the provision for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. L. Porter, Jr.

Santa Fe, New Mexico

Dear Mr. Hobbs:

Re: Informative Note C-111

Dear Sir:

Reference is made to your application dated July 7, 1962, for a permit to give approval of an extension of Rule 303 (a) of the Commission Rules and Regulations to permit the continuing of foreign power production (oil) and foreign electric production on your South Branch 10 in Santa Fe and 10, Township 10 North, Range 37 East, Los Alamos County, New Mexico, after separately stating the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to continue the production from the aforesaid pools on said unit in the above-described manner, provided, however, that the installation shall be operated in accordance with the provisions of the Commission Manual for the installation and operation of foreign power facilities, including the provision for non-cessant flow on the waters. Please notify the Hobbs District Office of the completion of such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

J. L. Hobbs, Jr.
Secretary-Director
