N. Carson (NCT-A) Lease which comprises the NE/4 SW/4 and W/2 SE/4 of Section 28, and the NW/4 NE/4 of Section 33, Township 21 South, Range 37 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission Manual for the Installation and Operation of Commingling Facilities, and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.
