Administrative Order PC-304

Gentlemen:

Reference is made to your applications dated May 23, 1966, for administrative authority to commingle Dakota and Mesaverde condensate produced from several wells in San Juan County, New Mexico, allocating the condensate production, if any, back to each zone in each well according to semi-annual GOR tests to be reported on Form C-116. It is our understanding that the ownership of each zone in each well is common.

Tenneco Oil Company is hereby authorized to commingle Dakota and Mesaverde condensate in the above-described manner which is produced from the following wells:
