Administrative Order PC-315

O
Gentlemen:

P
Reference is made to your application dated October 24, 1966, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Paddock and Penrose-Skelly production on your E. W. Walden Lease comprising the N/2 NW/4 of Section 15, Township 22 South, Range 37 East, Lea County, New Mexico, allocating the production to each of the two pools on the basis of periodic well tests. It is our understanding that the production from the aforesaid pools on said lease is of marginal nature.

Y
By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.

Administrative Order 90-311

Gentlemen:

Reference is made to your application dated October 15, 1966, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Padlock and Penrose-Skelly production on your H. W. Walden lease comprising the N/2 NW/4 of Section 15, Township 22 South, Range 17 East, Dea County, New Mexico, allocating the production to each of the two pools on the basis of periodic well tests. It is our understanding that the production from the aforesaid pools is of marginal nature.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall certify to the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. FORTER, Jr.
