April 6, 1967

Sunset International Petroleum Corporation
201 Wall Building, Suite 308
Midland, Texas 79701

Attention: Mr. M. M. Frazier

Administrative Order PC-320

Gentlemen:

Reference is made to your application dated March 27, 1967, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of North Bagley-Middle Pennsylvanian and North Bagley-Lower Pennsylvanian production on your T. P. "A" State Lease comprising the SE/4 of Section 10, Township 11 South, Range 33 East, Lea County, New Mexico, after separately metering the production from the North Bagley-Lower Pennsylvanian Pool and determining the North Bagley-Middle Pennsylvanian production by means of the subtraction method.

By authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made of the installation.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

Mr. M. M. Farnham

Administrative Order No. 10

Dear Sir:

Reference is made to your application dated March 27, 1957, for administrative approval of an extension of Rule 30: (a) of the Conservation Rules and Regulations to permit the completion of North Hobbs-Middle Pennsylvania and North Bailey-Lower Pennsylvania production on your I. B. "A" State lease comprising the NW 1/4 of Section 15, Township 15 South, Range 23 East, Lea County, New Mexico, after separately metering the production from the North Hobbs-Middle Pennsylvania pool and determining the North Bailey-Lower Pennsylvania production by means of the substitution method.

The authority vested in me under the provisions of Rule 30: (a) of the Conservation Rules and Regulations, you are hereby authorized to complete the production from the aforesaid lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Gas Meters," including the requirement for non-reversing meters on the meters. Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made of the installation.

Very truly yours,

W. L. PORTER, Jr.
Secretary-Treasurer
