O

Attention: Mr. J. G. Blevins, Jr.

Administrative Order PC-323

P

Gentlemen:

Y

Reference is made to your application dated May 8, 1967, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Langlie-Mattix and Justis-Blinebry production on your G. L. Erwin "b" NCT-1 Lease comprising the NE/4 of Section 26, Township 24 South, Range 37 East, Lea County, New Mexico, after separately metering the Blinebry production and determining the Langlie-Mattix production by means of the subtraction method.

By authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made of the installation.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director

ALP/DSN/ear

SECRET

Approved for Release 10-25-2013 pursuant to E.O. 13526

Reference is made to your application dated MAY 6, 1947, for that extensive approval of an exception to Rule 303 (a) of the Fisheries Rules and Regulations to permit the commingling of the white and United Fishery production on your O. L. Lewis lease comprising the NE 1/4 Section 36, Township 34 North, Range 37 East, Lea County, New Mexico, after separately determining the Blinnery production and determining the Blinnery production by means of the substitution method.

by authority vested in me under the provisions of Rule 103 (a) of the Commission Rules and Regulations, you are hereby authorized to remove the production from the aforesaid pool as indicated in the above-described manner. Provided however, that the pool shall be operated in accordance with the provisions of the "Manual for the Installation and Operation of Counters in Laboratories," including the requirement for non-reset counters. Please notify the Hobbs District Office of the Bureau at such time as the installation is complete in order that an inspection may be made of the installation.
