C Texas Pacific Oil Company
P. O. Box 1069
Hobbs, New Mexico
Attention: Mr. Sheldon Ward

Administrative Order PC-326

O Gentlemen:

P Reference is made to your application dated May 3, 1967, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Justis-Blinebry and Justis Tubb-Drinkard production on your S. W. Eaton Lease comprising the S/2 of Section 12, Township 25 South, Range 37 East, NMPM, Lea County, New Mexico, after separately metering the Tubb Drinkard production and determining the Blinebry production by means of the subtraction method.

Y By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made prior to putting it in use.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

Re: Application for Production Permit

Administrative Order 90-328

Dear Sir:

Reference is made to your application dated May 1, 1957, for
Administrative approval of an exception to Rule 303 (a) of the
Commission Rules and Regulations to permit the commencing of Unit
Albany and Unit 1000 production on your S. W. 1/4 of
Section 12, Township 12 North, Range 37
East, 1000, Lea County, New Mexico, after separately metering the
unit and production and determining the Albany production by
means of the substitution method.

By the authority vested in me under the provisions of Rule 303
(1) of the Commission Rules and Regulations, you are hereby author-
ized to commingle the production from the aforesaid pools in ac-
cording to the above-described manner. Provided however, that the
production shall be operated in accordance with the provisions of
the Commission "Manual for the Installation and Operation of
Production Facilities," including the requirement for non-reser-
voiring in the reservoir. Please notify the Hobbs District Office of
the installation at such time as the installation is complete in order
that an inspection may be made prior to putting it in use.

Very truly yours,

A. M. PORTER, Jr.
Secretary-Director
