Attention: Mr. I. B. Stitt

Administrative Order PC-331

Gentlemen:

Reference is made to your application dated September 15, 1967, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of North Vacuum-Abo and Vacuum-Upper Pennsylvanian production from your Bridges State Well No. 120 and Bridges State Well No. 121, located in Units N and L of Section 13, Township 17 South, Range 34 East, Lea County, New Mexico, after separately measuring the production from each pool.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the provision for non-reset counters on the meters. Please notify the Hobbs District Office of the Commission at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

**A. L. PORTER, Jr.
Secretary-Director**

Administrative Order 10-331

Gentlemen:

Reference is made to your application dated September 10, 1957, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of North Adams and Vacuum-Upper Pennsylvanian production from your Bridge State Well No. 120 and Bridge State Well No. 121, located in Units A and B of Section 15, Township 17 South, Range 34 East, Lea County, New Mexico, after separately measuring the production from each pool.

In the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to continue the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the provision for non-leased counters on the meters. Please notify the Hobbs District Office of the Commission as such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

A. E. PORTER, Jr.
Secretary-Director
