Re: State of New Mexico Oil & Gas Lease No. B-1520, A-1, Commingling Approval Request Mobil Oil Corp's Bridges State Lease, Lea County NM

This will acknowledge your letter of September 15, stating that your firm desires to commingle crude oil production from the Bridges State Well No. 120 with crude oil production from the Bridges State Well No. 121.

We have no objection to this commingling request. However, before we proceed further, it will be necessary that you submit a \$10.00 filing fee, as set out in Item 13 on the last page of the enclosed handbook of our Rules and Regulations.

Your immediate attention to this matter will expedite final approval of the request to commingle.

Thank you.

Very truly yours,

GUYTON B. HAYS
Commissioner of Public Lands
