Administrative Order PC-367

Gentlemen:

O
P
Y Reference is made to your application dated December 30, 1968, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Cerca-Upper Pennsylvanian production and undesignated Lower Wolfcamp production from your State "L" Lease comprising the SE/4 of Section 33, Township 13 South, Range 34 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that the production from both pools on said lease is of marginal nature.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director

Re: Settlement

Reference is made to your application dated December 30, 1968, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of certain production from your State "E" lease comprising the SE 1/4 of Section 36, Township 13 South, Range 34 East, Lea County, New Mexico, with the production on the basis of periodic well tests. It is not understood that the production from both pools on said lease is of varying nature.

The authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commence the production from the aforesaid lease in said lease in the above-described manner. Provided however, that the production shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. FORTER, JR.
Secretary-Treasurer
