San Antonio, Texas 78209**

**Attention: Mr. R. H. Denman**

**Administrative Order PC-378**

**Gentlemen:**

Reference is made to your application dated May 23, 1969, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of South Hospah Upper Sand production from your Santa Fe "A" Wells Nos. 77 and 79 and South Hospah Lower Sand production from your Santa Fe "A" Wells Nos. 72, 73, 74, 75, and 76, all in the SE/4 of Section 1, Township 17 North, Range 9 West, Hospah Field, McKinley County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that all production from the aforesaid pools on said lease is of marginal nature.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either pool is capable of top allowable production.

Very truly yours,

**A. L. PORTER, Jr.  
Secretary-Director**

San Antonio, Texas 78201

Attention: Mr. R. E. Bennett

Administrative Order 80-31

Re: Permit

Reference is made to your application dated May 17, 1967, for administrative approval of an exception to Rule 80-31 (a) of the Commission Rules and Regulations to permit the operation of South Hesper Upper Sand production from your Santa Fe Wells Nos. 77 and 79 and South Hesper Lower Sand production from your Santa Fe "A" Wells Nos. 72, 73, 74, 75, and 76, all in the SW 1/4 of Section 17, Township 17 North, Range 1 West, Hesper, McKinley County, New Mexico, allocating the production of the wells to periodic well tests. In our understanding, the production from the above wells is to be used for waterflood purposes.

By the authority vested in me under the provisions of Rule 80-31 (a) of the Commission Rules and Regulations, you are hereby authorized to commence the production from the above wells on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and operation of Commencing Facilities," and provided further, that you will notify the Commission at such time as any well in the pool is capable of top allowable production.

Very truly yours,

A. J. FORBES, JR.  
Secretary-Treasurer
