Administrative Order PC-379

Gentlemen:

Reference is made to your application dated May 14, 1969, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Hobbs Grayburg San Andres and Hobbs Blinebry production on your State A-29 Lease comprising the E/2 SW/4 and NW/4 SE/4 of Section 29, Township 18 South, Range 38 East, Lea County, New Mexico, after separately metering the Blinebry production and determining the Hobbs Grayburg San Andres production by means of the subtraction method. It is our understanding that after this production has been commingled it will be passed to the commingling installation operated pursuant to the provisions of Order No. R-1400 wherein Grimes Lease, State A-23 Lease, and State A-29 Lease production from the Hobbs Pool is handled in a common battery.

By the authority granted me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters, and provided further, that you shall notify the Hobbs District Office of the Commission at such time as the installation is complete in order that an inspection may be made thereof.

Very truly yours,

A. L. PORTER, Jr.

Administrative Order 80-379

Dear Sir:

Reference is made to your application dated May 14, 1968, for administrative approval of an extension to Rule 813 (a) of the Commission Rules and Regulations to permit the commissioning of the Grayhound San Andres and Hobbs Blinberry production on your State A-23 Lease commencing the E/W 2W/4 and NW/4 2W/4 of Section 2, Township 17 South, Range 3W East, Lea County, New Mexico, after separately metering the Blinberry production and retaining the Hobbs Grayhound San Andres production by means of the subsurface method. It is our understanding that after this production has been commingled it will be passed to the Hobbs line installation operated pursuant to the provisions of Order No. 8-140 wherein Grimes Lease, State A-23 lease, and State A-23 Lease production from the Hobbs Pool is handled in a satisfactory manner.

As the authority granted me under the provisions of Rule 813 (a) of the Commission Rules and Regulations, you are hereby authorized to coordinate the production from the aforesaid pools in said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for metered counters on the meters, and provided further, that you shall notify the Hobbs District Office of the Commission as soon as the installation is complete in order that an inspection may be made thereof.

Very truly yours,

A. L. FORTNER, Jr.
Secretary-Treasurer
