Reference is made to your application dated April 24, 1969, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of Monument Grayburg San Andres and Tubb production on your State "Q" Lease comprising the SE/4 of Section 16, Township 20 South, Range 37 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that all production from both pools is of marginal nature.

By the authority granted me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either pool is capable of top allowable production.

Commission Order No. R-1460 which authorized the commingling of Monument Grayburg San Andres production and Tubb production on this lease after separately metering is hereby put in abeyance.
