**Oil Reports and Gas Services  
Post Office Box 763  
Hobbs, New Mexico 88240**

**Attention: Mrs. Donna Holler**

**Administrative Order PC-389**

**Gentlemen:**

Reference is made to your application dated October 2, 1969, for administrative approval of an exception to Rule 303-A of the Commission Rules and Regulations to permit Guy R. Zachry to commingle Drinkard and Eumont production from his Downes Lease comprising the NW/4 NE/4 of Section 5 and the NW/4 NE/4 of Section 6, Township 22 South, Range 37 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that production from both pools on said lease is of marginal nature.

By the authority vested in me under the provisions of Rule 303-B of the Commission Rules and Regulations, Guy R. Zachry is hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

It is the responsibility of the producer to notify the transporter of the aforesaid commingling authority.

**Very truly yours,**

**A. L. PORTER, Jr.  
Secretary-Director**

1. The first of these is the fact that the United States has a large and growing population of people who are of Mexican descent. This population is concentrated in the southwestern United States, particularly in California, Arizona, and New Mexico. It is estimated that there are over 10 million people of Mexican descent in the United States, and this number is expected to increase significantly in the future.
