Attention: Mr. C. D. Borland

Administrative Order PC-400

Gentlemen:

Reference is made to your application for administrative approval of an exception to Rule 303-A of the Commission Rules and Regulations to permit the commingling of Tubb condensate production and Drinkard oil production from your Lee Stebbins (NCT-B) Lease comprising the N/2 NE/4 of Section 5, Township 22 South, Range 37 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that all production from the aforesaid lease is of marginal nature.

By the authority vested in me under the provisions of Rule 303-B of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of top allowable production.

It is the responsibility of the producer to notify the transporter of the aforesaid commingling authority.

Very truly yours,

A. L. PORTER, Jr.  
Secretary-Director

Re: Lease

Reference is made to your application for administrative approval of an exception to rule 303-A of the Commission Rules and Regulations to permit the commingling of your condensate production and Brinkard oil production from your Lee Stebbins (NCT-H) lease containing the N/P lease of Section 2, Township 22 South, Range 34 East, Lea County, New Mexico, 100 acres. The production on the basis of periodic well tests. It is our understanding that all production from the aforesaid lease is of original nature.

By the authority vested in me under the provisions of rule 303-A of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in either of the aforesaid pools is capable of non allowable production.

It is the responsibility of the producer to notify the transporter of the aforesaid commingling authority.

Very truly yours,

G. L. BORLAND, Jr.  
Secretary-Treasurer
