AMENDMENT

Administrative Order PC-406

Gentlemen:

Reference is made to Administrative Order PC-406, recently entered by the Commission, and which authorized commingling of Blinebry and Drinkard production on your State Land "15" Lease in Lea County.

Inadvertently, the Tubb condensate production from this lease was omitted from the commingling authority. Administrative Order PC-406 is therefore hereby amended to permit commingling of the Tubb condensate with the Blinebry and Drinkard production after separately metering the Tubb condensate.

Very truly yours,

A. L. PORTER, Jr.
