Midland, Texas 79701

Administrative Order PC-412

Dear Mr. Hendrix:

Reference is made to your application dated February 12, 1971, for administrative approval of an exception to Rule 303-A of the Commission Rules and Regulations to permit the commingling of Blinebry and Drinkard production from your Danglade Well No. 2, located in Unit A of Section 24, Township 22 South, Range 37 East, Lea County, New Mexico, after separately metering the Blinebry production and determining the Drinkard production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303-B of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters. Please notify the Commission at such time as the installation is complete in order that an inspection may be made thereof.

It is the responsibility of the producer to notify the transporter of this commingling authority.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
