**Amerada Hess Corporation
Amerada Division
Drawer 817
Seminole, Texas 79360**

Attention: Mr. J. R. Enloe

Re: Administrative Order PC-415

Gentlemen:

Reference is made to your application for administrative approval of an exception to Rule 303-A of the Commission Rules and Regulations to permit the commingling of Bronco Mississippian and Siluro-Devonian production on your L. W. Ward Lease comprising the SE/4 of Section 11, Township 13 South, Range 38 East, Lea County, New Mexico, after separately metering the Mississippian production and determining the Siluro-Devonian production by means of the subtraction method.

By the authority invested in me under the provisions of Rule 303-B of the Commission Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner, provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," including the requirement for non-reset counters on the meters.

Please notify the commission at such time as the installation is complete in order that an inspection may be made thereof.

It is the responsibility of the producer to notify the transporter of this commingling authority.

Very truly yours,

**A. L. PORTER, Jr.
Secretary-Director**

Mr. J. H. ...
Mr. ...
Mr. ...

Dear Mr. ...:

Re: Administration of ...

Dear Mr. ...:

I am writing to you regarding the administrative matters of the Commission. The Commission is a federal agency established by the Federal Oil Conservation Act of 1975. Its purpose is to conserve oil resources and to promote the efficient use of oil. The Commission is composed of representatives from the Department of the Interior, the Department of Energy, and the Department of Commerce. The Commission is headed by a Chairman and has a number of members. The Commission is responsible for the administration of the oil conservation program. It is responsible for the collection and distribution of oil conservation funds. It is also responsible for the enforcement of the oil conservation laws. The Commission is a very important agency and it is my hope that you will find this information helpful.

The Commission is a very important agency and it is my hope that you will find this information helpful. The Commission is responsible for the administration of the oil conservation program.
