Re: Request for Administrative Approval to
Commingle the Blinebry & Drinkard Pools
on Getty's R. L. Clifton Lease, Well #2,
Sec. 20-T22S, R37E, Lea County, N. Mex.

Gentlemen:

Getty Oil Company respectfully requests to commingle oil production from the Blinebry and Drinkard Pools on its R. L. Clifton lease, well #2, in accordance with Rule 303 (b) of the New Mexico Oil Conservation Commission's Rules and Regulations. The commingling is to be done on the surface at a common tank battery.

In support of this Application the following items are attached:

1. A table listing the present gravities, values thereof, composite gravity, value thereof, daily volume and daily revenue increase or decrease.
2. A schematic diagram of the proposed commingling installation.
3. A plat showing the location of all wells on the R. L. Clifton lease, well #2 and the Pool from which each well is producing.

Royalty and working interest ownership are common for both pools. It is proposed to determine the production from each zone by monthly well tests.

This Application to surface commingle is respectfully submitted for your consideration; and if additional information is needed, please advise.

Respectfully,

GETTY OIL COMPANY

C. L. Wade, Area Supt.
