COMMINGLING ORDER PC-499

Company Vierson & Cochran, c/o Miller Engrg. Co.
Address P. O. Box 417
City, State, Zip Hobbs, New Mexico 88240

Attention: Mr. C. P. Miller

Lease Name: Laney
Description: SE/4 of Section 30, T-17-S, R-39-E, Lea County

The above-named company is hereby authorized to commingle production from the following pools

Leaco Seven Rivers and East Hobbs-San Andres

in a common tank battery, and to determine the production from each pool by

 separately metering the production from each pool prior to commingling

 x separately metering the production from the Leaco-Seven Rivers Pool

and determining the East Hobbs-San Andres production by the subtraction method

 well tests (if this method is to be authorized, all commingled production must be of marginal nature; further, the operator shall notify the Santa Fe Office of the Commission in the event any well producing into the commingled battery becomes capable of top allowable production, at which time the Commission will amend this order or take such other action as may be appropriate)

Note: This installation shall be installed and operated in accordance with the applicable provisions of Rule 303 of the Commission Rules and Regulations and the Commission "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

Installation shall include a non-reset counter on the meter.

REMARKS: Please notify the Hobbs office of the Commission when the installation is complete so that an inspection can be made prior to putting it in operation.

DONE at Santa Fe, New Mexico, on this 9th day of December 1974.

A. L. PORTER, Jr., Secretary-Director
