Gentlemen:

Proposed Pool Commingling - Lockhart B-12

Continental Oil Company proposes to commingle the production from the Blinebry Oil & Gas, Drinkard and Wantz Abo pools on its Lockhart B-12 lease, Section 12, T-21S, R-37E, Lea County.

The attached plat shows the location of the wells, as well as the battery location of the proposed commingled facility. The attached schematic shows the proposed battery. The production from each pool will be allocated on the basis of periodic well tests.

Also attached is a list of the latest well tests for all wells involved and the daily average production from each well for the past 61 days, and a letter from U.S.G.S. indicating their approval of this proposal.

Your early approval of this proposal is respectfully requested.
