RE: Surface Commingling
Federal Lease LC 0654783

Gentlemen:

Enclosed please find letter dated January 11, 1977 to the New Mexico Oil Conservation Commission, requesting permission to surface commingling.

The N. M. O. C. C has requested written consent of U. S. G. S. before approval.

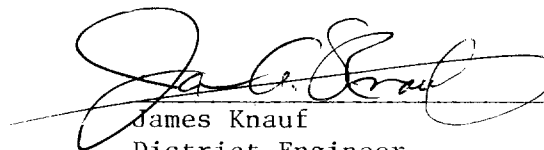

Very truly yours,

Tim Collier

N. M. O. C. C.
Attention: D. S. Nutter

The U. S. G. S. raises no objection to the above mentioned commingling of oils from horizons as outlined by Collier's letter, dated January 11, 1977.

James Knauf
District Engineer
U. S. G. S.
