Re: Request for Administrative Approval
to Surface Commingle the Lovington
Paddock and Lovington Drinkard Pools
on Getty's State "O" Lease, Sec. 31
T-16-S, R-37-E, Lea County, New Mex.

Dear Sir:

Getty Oil Company respectfully requests permission to surface commingle oil production from the Drinkard and Paddock pools on its State "O" Lease in accordance with Rule 303 (b) of the Energy and Minerals Department Oil Conservation Division Rules and Regulations. The Commingling is to be done at a common tank battery.

In support of this application of the following items are attached:

1. Royalty and working interest ownership are common.
2. A plat showing the location of all wells and the pool from which each well is producing.
3. A schematic diagram of the proposed commingling installation.
4. Production is to be allocated based on Monthly Well Tests by shut in 2 wells and testing 1 well.

A copy of this application and a \$10.00 Filing Fee has been sent to the New Mexico Commissioner of Public Lands with a letter requesting approval to commingle.

Thank you for considering this request.
