Commingling Order PC-615  
Dated April 12, 1982

Mr. Joe D. Ramey  
Energy and Minerals Department  
Oil Conservation Division  
P. O. Box 2088  
Santa Fe, New Mexico 87501

Dear Sir:

In reference to your letter dated April 12, 1982, we wish to postpone indefinitely the surface commingling of Brunson Ellenburger production with the existing commingled production from the Blinebry, Drinkard and Penrose Skelly Pools.

If in the future, conditions become favorable to allow commingling subject production we will re-submit for your approval.

Yours very truly,

R. C. ANDERSON

MWC/skc
